

ALL SALEM WELCOMES MASONIC GUESTS

SERVE HUMANITY IS EXHORTATION TO SALEM NURSES

Rev. Reinhold Speaks When
City Hospital Gradu-
ates Nurses.

RECEPTION GIVEN
AFTER EXERCISES

Miss Templeton Presented
Chest Of Silver By Hos-
pital Nurses.

With the exhortation that they al-
ways serve humanity with a demo-
cratic spirit, regardless of class, and
to keep the cause of serving upper-
most in their minds at all time, re-
membering the pledge that they had
subscribed to, Rev. Franklin P. Rein-
hold, Warren, the principal speaker,
addressed his closing words to four
young ladies, Jessie L. Steer, Chris-
tina Anna Kodrich, Elizabeth D.
Church and Anna Laura Toms, who
formed the graduating class of the
Salem City Hospital nurses training
school at the annual commencement
exercises held at the First Christian
church Tuesday night.

The program in honor of the gradua-
tion of these four nurses was one of
the finest ever held. The church was
decorated for the occasion and at 8
o'clock was nearly filled with friends
and well-wishers of the graduating
nurses.

Praised Institution
An organ prelude, "Eventide," by
Altha Wagner, the invocation by Dr.
H. H. Scott, and a beautiful solo,
"Morning," sung by J. William Filson,
Salem baritone, were the opening fea-
tures of the pleasing program.

Complimenting the city on its fine
hospital and the aims and supervision
of these in charge of the institution,
Rev. Reinhold stressed three points
which he said every nurse who en-
davors to serve humanity in the best
possible manner must have.

"Each one of you must first of all
cultivate a great love for the great
outdoors, an intelligent contact with
all nature, to which you will be able
to turn after strenuous work or when
friends forsake you, and be able to
find rest and contentment.

"Second, you must make and keep
friends, real true friends, and third,
you must cultivate an appreciation of
devotion to religious life and always
worship the great Saviour who made
the service of humanity possible."

Rev. Reinhold asked the nurses
also to always keep a sense of humor
which would carry them through
troublesome and trying days.

Speaking of the city hospital, Rev.
Reinhold said: "One of the greatest
hours in the history of Salem was the
time when the cornerstone of the
City Hospital was laid."

Reception Is Held
Following the main address another
solo was rendered by William Filson,
"Where My Caravan Has Rested,"
which preceded the giving of the Flo-
rence Nightingale pledge to which all
nurses subscribe, by Dr. F. T. Miles,
chief of staff, to the members of the
graduating class. Dr. Miles gave a
brief history of the pledge and its
founder.

The presentation of diplomas was
made by President J. C. Boone of the
hospital association and he also gave
the school pins to the nurses.

Following the graduation exercises
a reception was held at the Hannah
Mullins Nurses home on McKinley ave
in honor of the four graduates.

Because of her untiring work, her
generosity in dealing with those in her
charge and in appreciation of her
years of service here as superintendent
of the hospital, nurses of the hos-
pital presented Miss Nellie I. Temple-
ton with a chest of silver.

CITY PLAYGROUND SEASON IS OPENED

Children Enjoy Games And
Stories, Boys Play In-
door Baseball.

The city playground season opened
auspiciously Tuesday. Miss Ella
Meyer and Miss Esther Silver were
in charge at McKinley ave. school
ground, and ring games, stories, vol-
ley ball, croquet, etc., were much en-
joyed by the children present.

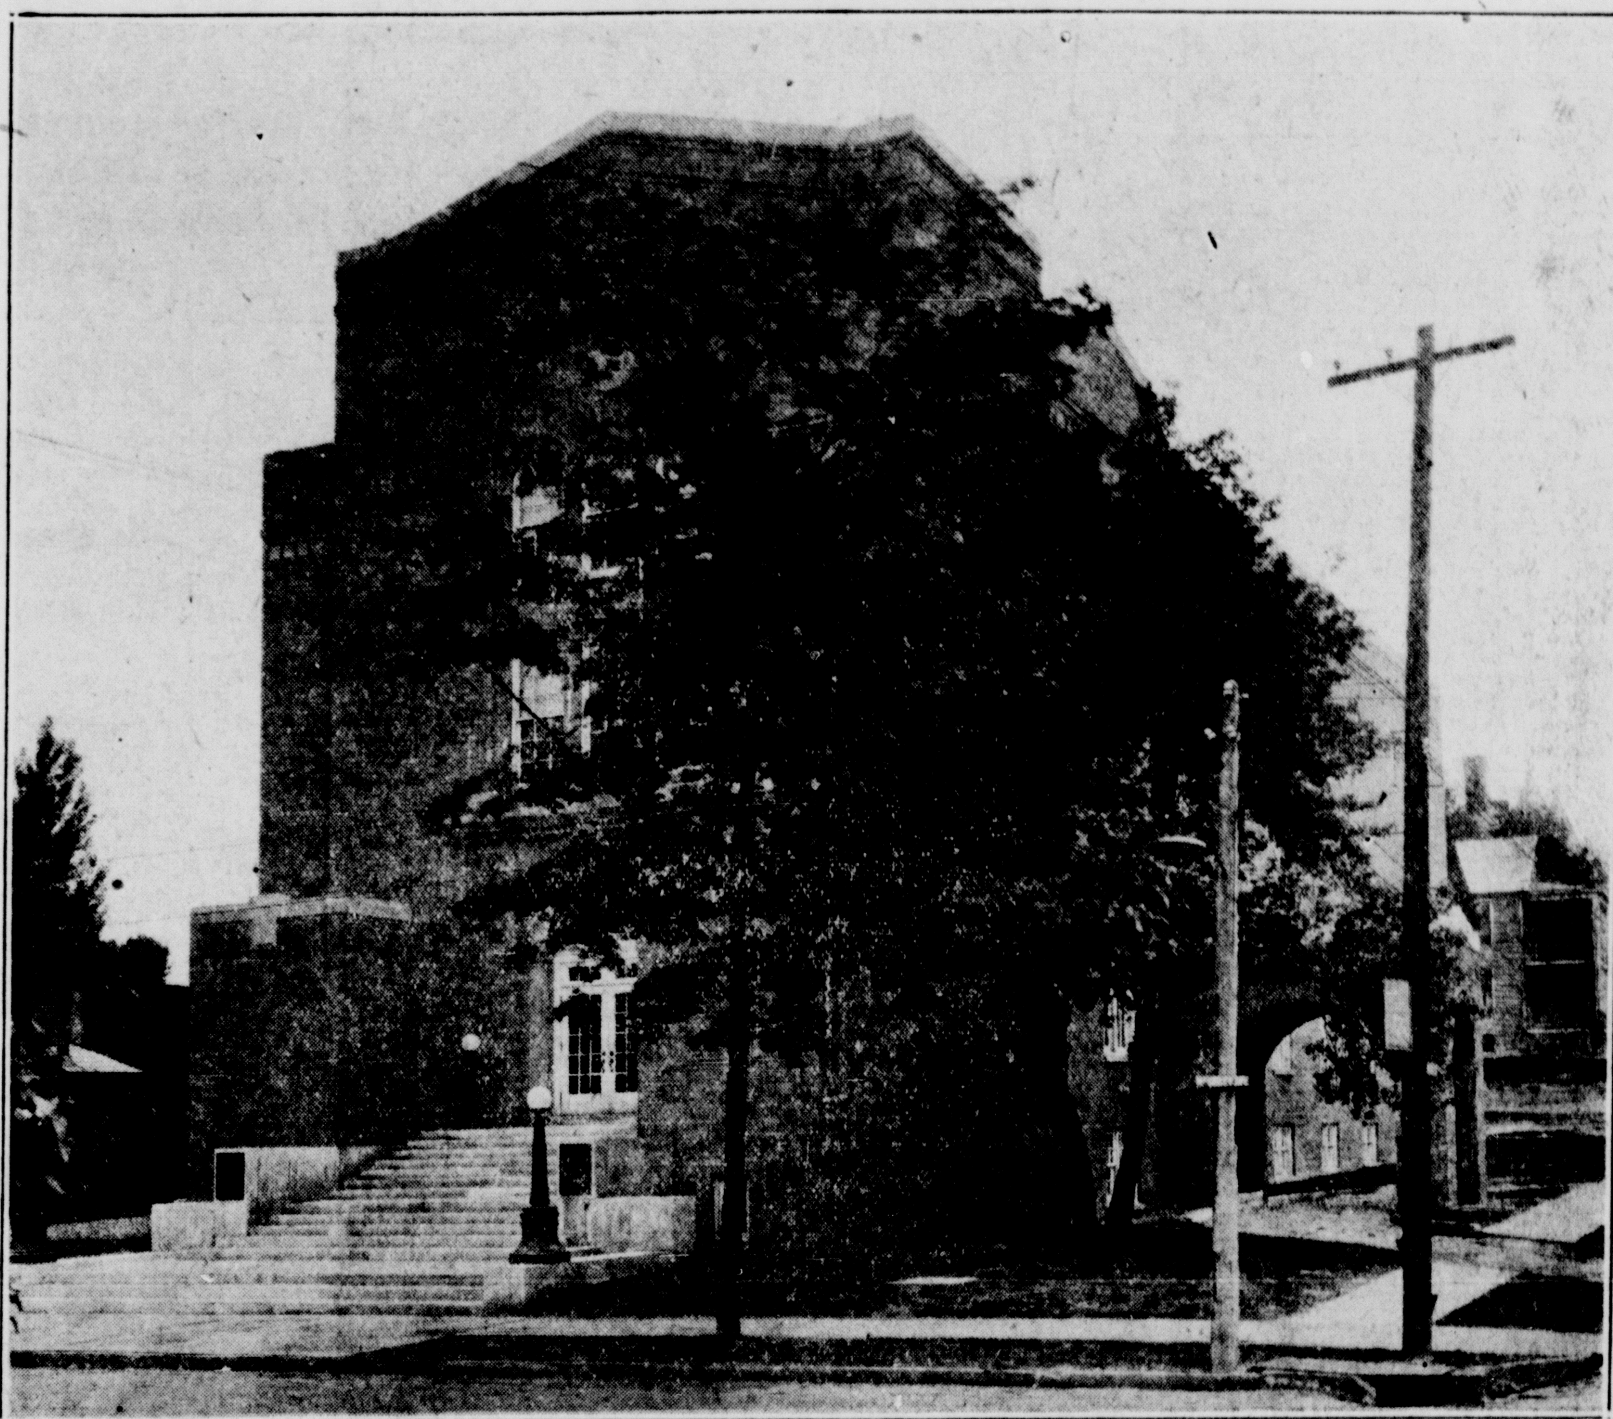

At Reilly field a fine crop of youth-
ful Babe Ruths turned out. Salem
has some real ball players in the
younger generation. Billy Allison di-
rected the work and helped to keep
things moving. Indoor baseball made
its first appearance and the older fel-
lows seemed to enjoy it even more
than the usual variety.

A volley ball court will be laid out
after Wednesday, when the field will
be used for parking automobiles of
visiting Masons.

Barnyard golf also will make its ap-
pearance.

PALM BEACH SUITS, DRY
CLEANED AND PRESSED, \$1.50. SA-
LEM DRY CLEANERS AND DYERS.
PHONE 455, NO. 21 MAIN ST.

BEAUTIFUL HOME OF SALEM MASONS ON MCKINLEY AVE.

GOLF TOURNAMENT ARRANGED BY CLUB FOR JULY FOURTH

Expect No Handicap Match
Will Create Much Inter-
est At Course.

The Salem Golf club is planning the
second big day of the season. This
will be a club tournament on July
Fourth and it is expected to bring
out the full membership of the club.
The marked improvement in the
fairways and putting greens since Mem-
orial day has aroused much favor-
able comment of late and the course
is now rapidly getting into first class
condition.

The July Fourth competition will
be a test of every player's brand of
golf. It will be a no-handicap match,
every player going out with his trusty
driver and masher to win for himself
a place on the club's score board.

The scoring device is a board with
numbers from one to one hundred.
On it are disks bearing the players'
names. After playing 18 holes the
players' disks will be arranged accord-
ing to the scores turned in. The man
with the lowest score will be given
place number one and the others will
come trailing after in order.

The winner will keep his place here-
after only by constantly defending his
title since a member in a lower
position may challenge any person
ahead of him.

Make It Interesting
Owing to the fact that the course
is new every player has been per-
mitted hitherto to tee his ball in the
rough. On the Fourth every ball
must be played from where it lies in
the rough. This new ruling is expect-
ed to produce some interesting results.
Balls on the fairway may be teed as
usual.

On the Fourth, instead of playing in
pre-arranged fives, players will
draw numbers and go out according
to the numbers drawn.

The entry list will be open in a
few days and every member is asked
to sign up as soon as possible. A
small entry fee will be required and
suitable prizes offered.

**Attempt Made To
Kill Slav Premier**

London, June 27.—An unsuccessful
attempt to assassinate the Jugo-Slav
premier was reported in a Central
News dispatch from Belgrade this
afternoon.

Six shots were fired at the premier
as he was leaving parliament build-
ing.

**United States Not To
Increase Air Force**

Washington, June 27.—Plans of
Great Britain to greatly increase her
military air force will not be followed
by similar developments in the United
States, it was stated officially at
the war department today.

TEMPLE REALIZATION OF TEN-YEAR DREAM

Bequest Of Mrs. Casselberry Formed Nucleus Of Masonic
Building Fund; Result Is An Imposing Structure.

With the dedication of their \$150,-
000 temple at McKinley ave and Vine
st. Wednesday afternoon, Salem
Masons saw the realization of a ten-
year dream, made possible by the do-
nation of about \$35,000 through the
will of the late Mrs. Mary B. Cassel-
berry.

While a small nestegg was laid
aside by Omega council in 1909 for a
future Masonic temple, hopes bud-
ded forth into plans in 1915, two years
after the death of Mrs. Casselberry,
when the executor of her estate turned
over to the Masonic bodies \$15,000
in stock, bonds, etc., and real estate
which later realized \$10,500. Personal

property was sold for about \$800,
and these funds, being placed on in-
terest, formed the nucleus of the
building fund.

A building committee was appointed
from the four Masonic bodies and ten-
ative plans were submitted but later
abandoned because of the cost of
building material. Later a building
committee was selected, composed of
Guy Seeds, Charles B. Hunt, Daniel F.
Mather and John G. Augustine. A
building site was purchased on the
south side of McKinley ave just east
of the Salem Public library, which
site later was exchanged for one di-
(Continued on fourth page.)

**Six Generations
Are Represented
At Smith Service**

Six generations were represented
when friends and relatives of George
K. Smith assembled at the Smith res-
idence, 96 West Fourth st., Tuesday to
pay their last respects. The oldest
member of the company is an aunt of
the Smith family, Mrs. Rebecca Hod-
gin of Sixth st., while the youngest
representative of the six generations
was little Eileen Jane Baant of Pitts-
burg, a great granddaughter of the
Smiths.

Funeral service was conducted at
3 p. m., the Friends ceremony being
observed. Interment was in the
Friends cemetery, Depot st.

There were friends and relatives in
attendance from Canton, Alliance,
Fairview, Pittsburg and Canal Ful-
ton.

**POWER PLANT HERE
IS OPERATED AGAIN**

The power plant of the Salem
Lighting Co. was placed in operation
Wednesday morning to lift the load
from the P.O. plant at Lowellville
which has been experiencing trouble
with its cooling system because of
the low stage of the Mahoning river.

The operation of the Salem plant as-
sures Salemites of the usual service
despite the troubles at Lowellville.
During the recent severe storm no
trouble was experienced with power
lines in this city, but several poles
are down on lines leading to the
P.O. plant.

**Report Says Fire
Sweeps China City**

London, June 27.—Fire swept the
forbidden city of Peking today, de-
stroying the emperor's palace, said a
news agency dispatch from Peking.

MISS TEMPLETON RESIGNS AS HEAD OF CITY HOSPITAL

Superintendent Will Leave
August 1 Because Of
Ill Health.

Following the graduation of four
trained nurses from the Salem Hospi-
tal School for Nurses Tuesday even-
ing, the board of trustees announced
that on account of long continued ill
health, Miss Nellie I. Templeton about
Jan. 1 filed her resignation as super-
intendent with the board.

More than two years ago the con-
dition of her health was such that
she was granted leave of absence
covering a number of months. Fol-
lowing that she improved to some de-
gree but has never really regained
her health.

The acceptance of her resignation
was deferred from time to time, hop-
ing that she might feel able to with-
draw the same but finally upon her
insistence that she be relieved the
trustees accepted her resignation to
become effective Aug. 1 and upon the
completion of ten years service as su-
perintendent.

Word Is Recommended
Under the management of Miss
Templeton, who was in charge when
the Salem City hospital was opened
in 1913, and who has been its only
superintendent, her management of
the hospital has been such that it has
been placed upon the list of approved
hospitals of the American College of
Surgeons and this is especially note-
worthy for the reason that it is the
only hospital in the state of Ohio lo-
cated in a city, the population of
which is anywhere near that of Salem.
(Continued on fourth page.)

DRIVER BRUISED BY AUTO PLUNGE

When the automobile in which he
was driving suddenly swerved off
the Salem-Alliance rd late Tuesday
night on to the small bridge over the
Stark Electric tracks about two miles
west of Salem, an unknown man was
slightly injured and his automobile
completely wrecked.

It is claimed that the man thought
the bridge was a turn in the road in-
stead of the narrow path. He made a
short turn, the front part of the ma-
chine catching on a pole throwing the
tracks 30 feet below. The car caught
between a power pole and an obstruc-
tion keeping it from hurtling down
on the tracks.

The man was thrown from the ma-
chine by a escaped with minor bruises
and continued on his way by train
after being treated at the Central
Clinic.

**Will Demonstrate
Power Road Grader**

A demonstration of the Hatfield-
Penfield road grader on a Fordson
tractor will be given at 1 p. m. Thurs-
day at the plant of the Salem Motor
Co. This grader has been sold to the
Butler township trustees and among
those who will witness the demon-
stration are Salem city officials, trust-
ees of several townships and the Lee-
tonia village council.

Hundreds Attend Temple Dedication

Prominent State Officers And Large Delegations From
Many Cities Arrive For Day's Ceremonies; Big
Parade, Dedication And Social Features.

The greatest day in the history of
local Masonry, a proud day for the
city of Salem as host to the hundreds
of notables and visitors who are
here to attend the ceremonies and a
memorable day for the thousands of
Salem citizens who witnessed the gi-
gantic parade and cheered the hun-
dreds of marchers in line in the
making, as the new Masonic temple
on McKinley ave, was dedicated to-
day.

Merchants on Main st began early
to decorate their places of business,
and residents on McKinley ave, re-
sponded to the occasion, the street tak-
ing on a holiday attire.

On many of the streets of the city
were American flags and bunting
hung from residences in honor of the
occasion.

Reception committees of Perry
lodge were on hand early to meet in-
coming trains, interurban cars, and
busses, and the hundreds of automo-
biles which began entering the city
early Wednesday.

Special Cars Over State Electric
at noon brought hundreds from Alli-
ance and Sebring, many more making
the trip in autos.

From the southern part of the coun-
ty autos bringing the hundreds of
Masons from East Liverpool, East Pal-
estine, Lisbon and other county towns
filled roads outside the city in a
steady stream as they approached the
city.

State Officers Arrive
Present and past grand lodge offi-
cers of Ohio arrived in the city at
noon to participate in the day's cere-
monies. Heading the delegation was
Frank Harmon of Cleveland, Ohio's
representative in the imperial council,
33rd degree Masons, and past grand
master, who was selected as acting
grand master to conduct the dedica-
tory ceremonies according to Masonic
custom.

Congressman B. Frank Murphy of
Steubenville, deputy grand command-
er of Ohio Knights Templar, the or-
ator of the day; F. Oscar Schoedinger
of Columbus, grand commander of the
Templars of Ohio; Irving Stafford,
grand captain of the host of the grand
chapter, and Robert L. Quiesser,
grand sword bearer of the grand com-
mandery, both of Cleveland; B. Frank
Thomas of Youngstown, grand senior
deacon of the grand lodge; Joseph T.

Croxall of East Liverpool, past grand
high priest of the grand chapter and
many other state officers were among
the early arrivals.

A reception for these and all other
visiting Masons was held at 1 p. m.
at the new temple while lines were
being formed for the parade, perhaps
the largest ever witnessed in Salem,
which moved at 2 p. m. from the in-
tersection of McKinley ave and Union st.
The procession marched west on Mc-
Kinley ave to Howard st., counter-
marching to Washington st. As the
line counter-marched again it formed
into open order while the state offi-
cials and Perry lodge members pass-
ed in review, the procession ending
at the temple.

Many Masons In Parade
Salem, Alliance and East Liverpool
commanderies, the Alliance City band,
Quaker City band, Lisbon band formed
principal units in the parade while
the Salem, East Liverpool, Lisbon,
Hanoverton, East Palestine, Leetonia,
Columbiana, Alliance, Sebring
Youngstown and other lodges were
represented in the line of march. One
of the largest delegations came from
Alliance, about 200 strong.

Main st and McKinley ave were
roped off from 12:30 to 5 p. m. by
police order and Boy Scouts assisted
the officers in directing traffic. A spe-
cial Masonic committee was in charge
of the parking of hundreds of autos
which brought visiting delegations.

Dedication of the temple followed
the parade, this ceremony being in
charge of the grand lodge officers and
being open to Masons only. A consecra-
tion service was held immediately
after the dedication.

Evening Program
During this period the women were
entertained at the State theater.
Lodges and churches assisted in serv-
ing the large delegations and the
Eastern Star women were prepared to
serve 400 in the Elks home. A
private dining room at the Elks home
was reserved for the grand lodge offi-
cers.

The evening program is in charge
of the social committee of Perry lodge,
No. 185, F. & A. M. This will include
a concert at 7 p. m. by Quaker City
band and special musical entertain-
ment, bringing a climax to the day's
activities, promises to be the most
delightful event of the day.

**Want To Help Fresh
Air Camp? Donations
Will Be Appreciated**

The Fresh Air camp for tubercular
children will be on the Ira Hassler
farm, five miles southwest of Lisbon,
on the Wayne township line.

Tents are being pitched, floors laid,
swings built, a small stream dammed
for bathing purposes and a baseball
diamond laid out.

Anyone wishing to help these chil-
dren can do so by sending them base-
ball gloves, bats, balls, a home plate
and bases. A tennis net and four
rackets with a supply of balls would
be appreciated by the girls. Charles
S. Speaker, of Lisbon, will accept any
donations.

**PRESIDENT TAKES
REST FROM CROWDS**

Cedar City, Utah, June 27.—Presi-
dent Harding left the world of Pull-
man cars and speech making today
and plunged into the wilderness of
southern Utah for the first real res-
pite he has had from crowds and con-
fusion since leaving Washington a
week ago.

Under the guidance of army officers
and experienced workmen, the chief
executive left his private car here
early this morning and embarked upon
a 65-mile motor trip into the
primeval fastness of Zion National
park.

**Mrs. Dewees Inspects
Columbiana Chapter**

Mrs. J. D. Dewees of this city, ac-
companied by a delegation of about
15 members of Salem chapter No.
334, Order of the Eastern Star, went
to Columbiana Tuesday night where
Mrs. Dewees had charge of the in-
spection of the Columbiana chapter.

Among other officials of the organ-
ization present at the inspection were
Mrs. Eva Ashley, of Leetonia, grand
chaplain, and Maude Flowers of East
Liverpool, grand Ada.

**Sec. Denby Advances
Navy Workers' Pay**

Washington, June 27.—The pay of
all navy yard workers will be in-
creased on July 1 when the recom-
mendation made to the secretary of the
navy Denby today by a special board
headed by Rear Admiral J. K. Robin-
son. The increases are expected to
average 10 per cent.

GIRL SCOUT CAMP PLANS GUEST DAY

Public Is Invited To Visit
Camp At Schilling's
Mills Next Friday.

Girl Scouts will have a special pro-
gram for guests Friday at their camp
at Schilling's Mills, three miles from
Berlin Center. Everyone interested is
invited to visit the camp that day,
taking their own lunches.

About 35 Girl Scouts and counsel-
ors are enjoying the week at this
camp. Miss Mary Holderman is di-
rector of the camp; Mrs. Lee Cham-
berlain is head counselor and super-
visor of cooking; Mrs. Phoebe Rylard
teaches basketry; Miss Leah Miller
teaches swimming and athletics; Miss
Edith Conrow teaches first aid and
Miss Winifred Thraves teaches nature
study.

Here is the program for Guest Day.
2:30 to 3 p. m., First aid demonstra-
tion; resuscitation, simple and com-
pound bandaging, quaking stretcher
etc.

3:45 to 4:45 p. m. — Swimming
submerged float, steamboat, floating
on back, back stroke, side stroke,
breast stroke, surface dive.

5:30 p. m. — Supper.

6:30 p. m. — Evening colors; volley
ball, track events, stunts, singing.

**Claims Sewer Makes
Property Unbearable**

Kenneth T. Unstead of Salem has
brought suit in common pleas court
against the city of Salem for \$2,500,
which he says is due him from dam-
ages he sustained from a trunk line
sewer constructed and maintained by
the city.

This sewer crosses a portion of his
farm and he alleged his pasture is
damaged and his home made unbear-
able by the foul odors arising from
the said sewer.

**Niles Star Athlete
Drowned Last Night**

Niles, June 27. — Robert Cunning-
ham, 21, member of the champion
Eagles soccer team, was drowned here
late last night. His mother Mrs.
Thomas Cunningham recently sailed
for Europe.

The body was taken from the river
early this morning after two boys
found Cunningham's clothing on the
bank. It was believed Cunningham
suffered with cramps.

That Body of Yours

By James W. Barton, M.D.

(Registered in Accordance With the Copyright Act)

THOSE AWFUL PIMPLES

One of my earlier recollections is hearing a lecturer say, "The distressing thing about pimple (acne) is that they come just at the time when you are most particular about your appearance, that is in your early teens until the end of your twenties."

There is no doubt that the hair and sweat glands are functioning more actively at this age, but what is the real cause of these eruptions? Simply that through some fault in the building up and tearing down processes in your body, the composition of the material around the root of the hairs and sweat glands is changed and the material doesn't pour out on the skin properly. It gets jammed back and tries by pressure to come through the small openings. You see it is too thick and remains a "cheesy" mass in the small canal. This cheesy mass catches dust or dirt and you have what you call blackheads.

The process goes on further often, because poisonous materials get into the cheesy mass and then you have a pimple or pimple. They develop into little pus areas, and then dry up, start all over again, to your mortification.

Now years ago pimples were supposed to be one of lack of cleanliness of the individual. This, of course is not true except in a few cases. However the cause has been traced to the intestines, to indigestion and constipation cannot be denied. There is a history of this in 90 per cent of the cases.

Our friends, the ductless glands, are also blamed for this because of their known influence on the blood, and at a time in our lives when changes are taking place in these glands.

However how to get rid of, or to avoid them is really the important point to be considered.

First the general treatment which is really the important thing.

See that you have all your molars or grinding teeth in good condition if any of these are gone get new ones at once. Then chew your food. This will prevent fermentation which is at the bottom of the trouble.

Cut down to the lowest point the starches and sugars in the diet. You know what I mean, candy, cakes and potatoes.

Then the general health must be improved by exercise and baths. Get that heart working and pumping the blood well.

Then get the sweat glands working and finish off with a hot bath and a cold douche. This will give the skin the healthy action it requires. If the case is obstinate drugs are used such as formaldehyde and sulphur, but these should be administered by your physician of course.

Tub Dresses

in dainty voiles, cotton crepes and tailored linens in light summer shades. Also Egyptian tissue and imported ginghams at \$3.00 to \$25.00.

The Blessed Failures

PRESIDENT LOWELL of Harvard in a recent baccalaureate address, declared: "To the ambitious, in the best sense of the term, it often seems that life is an unending series of failures which, in the total sum, make up success."

Many of the world's greatest characters seem first to have failed, to have tasted the bitterness of blind misunderstanding, to have suffered disappointments, oppressions, but still to have striven to the uttermost "to achieve results of lasting value rather than temporary worldly fame."

So Jesus toiled and builded and suffered for the surpassing future. So Loyola triumphed on his pyre of flames. So Lincoln passed through his Gethsemane to win the bays of immortality. So countless humbler lives have fought the fight through intellectual perseverance in the pursuit of noble ambitions.

The distinguished president of Harvard urged his hearers to this persistent effort. In dignified phrase he impressed upon his hearers that one never is "licked" until he himself admits defeat. One never can be considered a failure until he believes himself a failure.

Our so-called failures, properly regarded, are true milestones on the highway to success. All this has been said many times, but the reiteration of a truth often is essential, always helpful. To profit by the wisdom of experience is the inclination and practice of the man who means to succeed. Had Galileo paused before the obstacles and detractions of his time we should now know less of the glory and wonder of the stars. To be unable to accomplish something of worth along certain lines does not mean failure; it suggests a change of method in the approach to the desired goal. The worthy ambitious and persistent workers of the world learn this lesson and profit by it. Mr. Edison has met with a multitude of unsuccessful experiments.

Men fail in this thing and that thing; but no man fails utterly who persistently pursues a worthy purpose. And the goal of a man's dreams does not always prove as the measure of his success. Many a lawyer, doctor, minister, inventor or business man who has won fame and distinction in his calling may most earnestly have desired to be something else, may have tried hard to be something else, and, in the estimation of the world and in his own conscious realization, may have believed himself a failure. But it is the shining structure built upon the blessed foundations of so-called failure which is of lasting importance. In varying degrees of beauty and usefulness these enduring edifices are infinitely more numerous than are the hovels of failure which mar the shifting sands of fear and feeble effort.

Masons As Builders

ALL Salem joins today with the Master Masons in celebrating the completion of their new temple. It was a worthy undertaking, and years of dreaming and planning have brought their reward in the form of the most imposing structure in this city. Masons of Salem and of every other center of the world have been building temples for ages, temples dedicated to character, to truth, to love of justice and fair dealings, to respect for country and flag and for the Almighty to whose name every Masonic temple, no matter how modest, is dedicated. Because Masonry stands for these principles, because it instills in men the very essentials of manhood and of right living, its influence has been spreading and its very name breathes respect. Salem Masons have contributed a wonderful addition to the city's buildings, but its greatest contribution has been the character of its members. Its efforts in both constructive lines have been worthy, and the entire community gives full recognition.

COURTESY-EFFICIENCY-SERVICE

HER DISMISSAL HELD ILLEGAL

Mrs. Stannard Is Still Head of Girls' Industrial Home.

NEW CHARGES MAY BE FILED

Buckeye Public Utility Companies Joining Movement to Force Correction of Alleged Inequalities in Assessment of Property For Taxation, Motor Bus Competition Affecting Interurban Lines.

Columbus, June 27. — Mrs. Mae Stannard, who was removed recently as chief matron of the Girls' Industrial home at Delaware, will likely be reinstated, as her dismissal has been declared illegal by Attorney General Crabbe and the state civil service commission. Action of the civil service commission came simultaneously with the sending of a letter by Crabbe to Welfare Director Harper declaring the latter's action in removing Mrs. Stannard was "clearly a violation of the law."

Rollin Swisher, chairman of the civil service commission, notified the parties to the case that no hearing of the charges would be held at Delaware next week as planned. In the absence of the other commissioner, William S. Eundy, Swisher took no action relative to the reinstatement of Mrs. Stannard.

Mrs. Stannard is entitled to pay as chief matron of the Girls' Industrial school until the charges preferred against her by Welfare Director Harper are properly filed with the state civil service commission. Swisher held. Swisher took this position after receiving a protest from Mrs. Stannard's attorneys, Alfred Bettman and S. A. Hooper, who raised the point of the legality of Mrs. Stannard's removal.

The civil service commission had not been advised of Attorney General Crabbe's ruling in the case at the time Chairman Swisher made his ruling and called off the hearing.

It was considered likely that Welfare Director Harper will immediately reinstate Mrs. Stannard, following which he will file new charges against her. Then, it was predicted, will come her suspension, her opportunity to file an answer and the hearing as required by law.

Attorney General Crabbe said he was convinced that the charges against Mrs. Stannard as filed are wholly insufficient and therefore his department will not aid in her prosecution. An employee to be removed must be served with a written discharge order, together with the reasons, and be given a reasonable time in which to make an explanation or defense, Crabbe cited.

Mrs. Stannard was removed June 5 on general charges of incompetency, inefficiency, extravagance and cruel, abusive treatment of girl inmates of the institution. She was also accused of padding vouchers of parole officers, transferring girls to the women's reformatory without authority, exceeding appropriations allowed the institution, using language unbecoming an officer, and endangering the lives of inmates by locking them in their sleeping rooms.

Two more Ohio public utilities companies have joined the movement to force correction of alleged inequalities in the assessment of property for taxation.

The Ohio Fuel Supply Co. and the Ohio Fuel Gas Co. filed suit in federal court to enjoin county treasurers in 37 Ohio counties from collecting June taxes. The utilities companies pointed out that the inequality of assessment existed in the fact that large amounts of property, particularly real estate, had not been appraised since 1910 and were consequently paying less than their share of taxes. It was pointed out in the petition filed that the two companies paid \$296,083.63 in December, 1922, out of a total of \$792,167.26, the amount assessed for the year.

Suits of a similar nature have been filed by other companies. The key suit originally filed to prevent collection of the December, 1921, taxes of Dayton Street Railway company is now pending in federal court. Judge Sater stated that it was probable that a decision would not be filed for several months.

A victory for the utilities would necessarily mean a boost in tax rates of other properties throughout the state or a curtailment in municipal and county service corresponding to the decrease in the amount of revenue realized from taxes.

A sum of \$41,458.84 in taxes was levied by Franklin county against these two companies. Of this amount only \$20,279.42 has been paid and if the companies are successful in their suit the county will lose the remaining amount.

The value of the properties of the two companies was given in the suit as approximately \$35,000,000 and it was pointed out that the valuation given by the tax commission was \$41,000,000, or \$6,000,000 above the true value of the property in money. Utilities all over the state are

falling in line with the advance guard, thinking to benefit if the companies are successful in the suits now filed.

Entrance of the automobile into the passenger carrying business has so affected interurban and some steam railroad lines in Ohio that to protect themselves they have entered the motor bus field, apparently running in competition to their own rails lines. Two methods are in use, one more common than the other. In the first case the company purchases a fleet of automobiles and operates bus lines between the same cities and towns that their cars run. In the second, effort is being made to motorize the rail lines, using old equipment with new motive power.

The net work of traction lines over central Ohio, including the Indiana, Columbus & Eastern Traction company, the Columbus, Newark & Zanesville Electric Railway company and the Lima-Toledo Railroad company are controlled by the same interests. Within the last few months these interests have purchased 21 automobiles and put them into operation between Columbus and Springfield, Springfield and Dayton, Springfield and Urbana, and Columbus and Zanesville, in addition to several buses operating within municipal limits. Traction line between Grove City and Orient has been abandoned and permission has been granted by the utilities commission to abandon the line between Columbus and Grove City. Motor bus competition put these lines out of business.

An example of the second method, that of motorizing the rail lines, is found on the Springfield-Delaware division of the Big Four. For years the line has not paid. A gasoline car was substituted and now it shows a profit. The car is small, seating only 25 passengers, and having a small baggage compartment. It is run by a truck motor which is operated just as any motor truck. The car, whose speed ranges up to 45 miles an hour, carries a regular locomotive bell and whistle. Operation of the car in the 100 days it has been in use has been so successful that a second car, larger than the first, is to be put on.

Officials of the Anti-Saloon league of America are massing their forces to balk "back tracking" on dry law enforcement by state legislatures. Forty state superintendents of the league will meet at Westerville Tuesday next to plan a new campaign against wet drives said to be under way in half a dozen states.

"The backward step in New York and similar proposals in other states will be met at once by a determined movement to re-enact an enforcement code," said P. A. Baker, general superintendent of the league.

Baker declared the process will leave in its wake a fine collection of political graves. He charged Governor Smith, Tom Taggart of Indiana and Senator Edwards of New Jersey will attempt to marshal enough votes to force the coming Democratic convention to accept a wet candidate.

The Anti-Saloon league believes, Baker said, that the effort to repeal state enforcement codes has no purpose except to break down the enforcement which may aid in the restoration of wine and beer. "We realized that when Governor Smith signed the repeal bill it would be like the chief bellwether jumping the fence. A number of little bellwethers would attempt it," said Baker. "So we decided to call together the leaders of the league movement, take stock of each state to discover any weak points, in order to mass our forces when necessary."

Attorney General Crabbe has been taken to task by Governor Donahey in connection with the former's protest on June 14 against the governor's proposal to refuse a requisition for the extradition of C. A. Kirchner, Cleveland stock salesman. The governor announced yesterday that the requisition had been refused. Today he made public a letter addressed to the attorney general in which the latter is advised that his unsolicited advice relative to the Kirchner case was ignored for three reasons: "First, you were not present at the hearing of this case; second, your alleged information comes not from this office, where both sides were presented, but by long-distance phone from Erie, Pa.; third, your conclusions and advice do not appear to be warranted by the facts." The governor added:

"It would appear, therefore, that the admonitions and advice volunteered in your letter, and furnished to the newspapers, were born of hasty conclusions and lack of knowledge of the matter wherein you were not invited to participate. The property has been restored to the aged lady who owns it and through this office," the letter continues. "It came to this office not from Kirchner, as you have concluded, but from the receiver of the delinquent concern for which he worked, and with which concern he had honestly and very promptly deposited the money and stock certificates alleged to have been fraudulently converted. A matter of fact, the receiver's statement shows and the untransferred stock certificates themselves bear mute evidence of no wrongful intent on the part of any one."

Kirchner was charged with "fraudulent conversion of money and property." Governor Donahey avers that the hearing held before him shows that the charge was unfounded.

WHITFIELD, SLAYER OF POLICEMAN, IS TAKEN IN DETROIT

Detroit, Mich., June 27.—Cornered by 25 policemen and detectives in a Michigan ave. lumber yard where for several weeks he had been working as foreman of drivers, John L. Whitfield, mulatto, wanted in Cleveland, O., for the murder of Patrolman Dennis Griffin, was captured last night. Whitfield was traced here from Madison, Wis., through Chicago, by Detective Lieutenant Charles O. Nevel, of the Cleveland police.

Nevel and a squadron of police and detectives, heavily armed with revolvers and riot guns, surrounded the plant of the Ternes Coal and Lumber company late Tuesday.

When men with riot guns had been placed about the yard, Nevel accosted Whitfield, who was walking through the yards. Whitfield was startled and made as though to dash toward a small office nearby.

Nevel pushed a revolver against the fugitive's head and ordered him to hold up his hands. Whitfield was then handcuffed and taken to police headquarters.

Whitfield was not armed when captured.

Whitfield told officers he would waive extradition and "take his chances" in Cleveland courts.

SOCIETY

Kaiser-O'Connor
Rev. A. J. Manning presided at the pretty church wedding at 9 a. m. Wednesday when Miss Rose Mary Kaiser became the wife of T. F. O'Connor of Pittsburgh, at St. Paul's Catholic church.

The attendants were Amelia Prichinger and J. J. Lawlor, both of Pittsburgh. The bride was beautifully gowned in white satin and lace with a veil of tulle caught with orange blossoms. The blossoms were the same ones used as ornamentation on the bridal veil of her mother, Mrs. Joseph Kaiser. Her only ornament was a pearl necklace with a platinum and diamond clasp, the gift of the groom.

Miss Prichinger was attractive in a gown of mountain haze canton crepe with a picture hat of harmonizing material. Mrs. O'Connor carried white roses among which were tiny sprigs of blue delphinium arranged shower fashion. Miss Prichinger's flowers were butterfly roses.

Following the nuptials the bridal party went to the home of the bride's parents where a wedding breakfast was served.

Mrs. O'Connor is the daughter of Mr. and Mrs. Joseph Kaiser, East High st., and until recently was employed by the Pennsylvania Railroad company in Pittsburgh. She is widely known in Salem.

The groom, son of Mr. and Mrs. P. J. O'Connor of Pittsburgh, is employed in the accounting department of the Pennsylvania Railroad company offices at Pittsburgh.

The young people have gone to Atlantic City, New York and other eastern points by automobile on their honeymoon and after Aug. 1, they will be at home in Philadelphia in which city the groom's office will have been transferred at that time.

A number of the guests were Pittsburgh people. They are: Mr. and Mrs. B. F. O'Connor, Mr. and Mrs. M. J. Moore, Mr. and Mrs. J. F. McCloskey, Mrs. P. M. Lawlor, Miss Josephine Lawlor, Miss Helen Keating, Miss Nancy Prichard, Miss Freda Mossman, Miss Nellie McClintock, Misses Louise and Monica Glick and Misses Theresa and Mary Keller.

Detwiler-Halverstadt
Coming as a surprise to their many friends here is the announcement of the marriage of Miss Barbara Detwiler to Orin Halverstadt, both of this city.

Mrs. Halverstadt is the daughter of Mr. and Mrs. John Detwiler, McKinley ave. The bride was graduated from the Salem High school and until last week was employed at the Hemminger store.

The ceremony was performed at 4 p. m. Tuesday by Rev. D. E. Scott of Lisbon at his home in that town. The bride was attractively gowned in a blue traveling suit. Upon their return to Salem they were served a wedding dinner at the Halverstadt residence, at which the only guests were the immediate families and a few intimates.

Mr. and Mrs. Halverstadt have left for a motor trip to Indiana and are expected to return to Salem at the conclusion of their trip. Their plans for the future are undecided.

Family Gathering
A family gathering held Sunday at the home of Mr. and Mrs. Charles Phillips, south of Salem, interested 52 guests who enjoyed the day informally. A picnic dinner was served in the lawn. Among those present were Mr. and Mrs. Bert Johnson, Mr. and Mrs. Charles Ewing, Mr. and Mrs. John Burt, Mr. and Mrs. Carl Glunder and their families, Mrs. Adeline Burt and son Harry, all of Minerva; Mr. and Mrs. Ernest Phillips and son Charles of Alliance, and Mr. and Mrs. W. L. Glass and daughter Ruth of Salem.

Shive-Johnson
Miss Lois Shive, daughter of Mr. and Mrs. Joseph Shive of Lisbon and Edmund Johnson, son of Mr. and Mrs. Edmund Johnson, of north of Lisbon, were married Wednesday morning at the residence of Rev. D. E. Scott. They will make their new home north of Lisbon.

Mrs. Johnson has been a teacher in this section of the county. Mr. Johnson is a mill worker.

Bridge Club Meets
Miss Nellie Kelly was hostess Tuesday night to members of the bridge club with which she is affiliated. Cards, a lunch and other informal diversions were features of the meeting.

In two weeks the girls will meet at the home of Mrs. Lester Kille, Cleveland ave.

J. H. Lease, former Salem druggist and until recently in the wholesale drug business in Alhambra and Los Angeles, Cal., is visiting friends in Salem before taking up new duties with a drug firm in New York state.

Miss Doris Wisner, who has spent the last two weeks visiting at the home of her parents, Mr. and Mrs. Frank Wisner, South Lundy st., has returned to Atlantic City where she is studying music.

Helen Nusbaum, little daughter of Mr. and Mrs. Frank Nusbaum, Lincoln rd., is reported much improved after an attack of measles and complications.

Mrs. Orval Hall and children left Wednesday morning for their home near Freeport, after a visit with relatives in Salem and Damascus.

Miss Elizabeth Miller is recovering from an operation for appendicitis performed at the Central Clinic hospital.

Mr. and Mrs. Wade Strohecker and family of Massillon are guests of Mr. and Mrs. Guy Seeds, Park st.

J. H. Lease, who has been spending the last year in Los Angeles, Calif., has returned to Salem.

Raymond Bobb left Tuesday for Mt. Vernon where he will enter the sanitarium for treatment.

Miss Pearl Walker, Franklin ave., spent Tuesday in Alliance the guest of friends.

Blockinger-Miller
Miss Margaret Blockinger, well known young woman of Salem, daughter of Mrs. Theresa Blockinger, East High st. and Lester W. Miller, son of Mr. and Mrs. H. D. Miller this city, were married at 4 p. m. Wednesday at the home of Rev. A. J. Manning, Ohio ave.

Mrs. Miller wore a beautiful creation of pink silk georgette with a hat of harmonizing tones. Miss Ruth Steiner was her bridesmaid and Eugene Bradley was best man. Miss Steiner wore a charming gown of pink canton crepe and a hat to match.

Mr. Miller is employed at the Mullins Body Corporation and has a home ready furnished for his bride on Rose st., where they will be at home to their friends after a trip to Cleveland, Washington, D. C. and other points.

At Anniversary Celebration
Mr. and Mrs. John Hall, Alliance, celebrated their fiftieth wedding anniversary Tuesday at their home entertaining a large company of relatives and friends.

A three-course dinner was served and gold and white tones predominated in the decorations.

In the afternoon their granddaughter, Ethel Louise Hall was baptized by Rev. Batelle McCarty, Alliance.

Among the guests were Mr. and Mrs. William Kirk, Elizabeth Kirk and Mr. and Mrs. V. M. Chambers, Damascus; Mr. and Mrs. L. L. Park and daughters, Bessie and Martha, and Mr. and Mrs. Gritsinger, Salem, and Mrs. Orval Hall and children, Freeport.

Mrs. A. H. Stratton and Mrs. Rebecca Cadwallader attended the Belmont county reunion Wednesday at the Mt. Union college campus, Alliance.

MISS TEMPLETON
(Continued from first page.)
that has been given this distinction. In a communication to Miss Templeton from the American College of Surgeons, under date of April 6, 1922, it was stated, "It is gratifying to note the progress you have made. Our visitors spoke very favorably of you case records, laboratory facilities and staff meetings."

Again in April, 1923, in a letter to Miss Templeton from the office of the American College of Surgeons it was said "Dr. Brown has written me concerning his recent visit to Salem. I wish to thank you for the courtesies extended to him. Our visitor's report on your institution was very commendable. He spoke favorably of your staff meetings, case records and laboratory facilities. It is pleasing to note that you are maintaining your usual high standard of efficiency."

Offer Appreciation
In accepting Miss Templeton's resignation, the board of trustees offers the following appreciation:

"WHEREAS, Miss Nellie I. Templeton has served the Salem City hospital as superintendent for ten years with high honor and efficiency; and

"WHEREAS during her administration has come to the hospital recognition by the American College of Surgeons as one of the few small hospitals worthy of its seal of standardization; and

"WHEREAS, every graduate of the Nurses Training school maintained in connection with the hospital, has passed the Ohio state examination with credit, and some with exceptionally high grades; and

"WHEREAS, no task has seemed to the superintendent too heavy for her personally to undertake in the interests of the hospital.

"BE IT NOW RESOLVED, that the Board of Trustees of the Salem City hospital, fifteen in number, expresses its warm appreciation of such competent and faithful service and states itself a unit in regret at her departure."

This resolution was signed by the following trustees: J. C. Boone, Mrs. P. E. Barekshoff, C. S. Carr, Mrs. W. H. Dunn, Mrs. L. B. Harris, F. J. Mullins, L. P. Metzger, Miss Alice McMillan, James Probert, F. R. Pow, T. J. Rossiter, A. O. Silver, Mrs. H. H. Sharp, Mrs. J. G. Woodruff, A. H. Wilhelm.

Staff Express Regret
Following the action of the trustees the medical and surgical staff of the Salem City hospital unanimously expressed their regret at the resignation of Miss Templeton and directed their officers to deliver to her the communications following:

"It is nearly ten years since the doors of the Salem City hospital were opened and during that time under your administration it has attained to the highest rating given by the American College of Surgeons to hospitals of its size.

"You are now under the necessity of resigning because of ill health and the Hospital Staff wishes to express to you its regrets that you must leave and its appreciation of your long continued service; of your ability, of your high order of efficiency and of your devotion to the high ideals of the nursing profession.

"The Staff hopes that you will regain your health and be able to continue your chosen profession.

F. T. MILES, Pres.
T. T. CHURCH, Sec'y."

Miss Templeton came to Salem from Warren, where she was assistant superintendent. Her home is near Sharon, Pa., where she was graduated from Buhl hospital.

It is understood that her plans for the future contemplate an extended vacation in the hope that she may regain her health.

TEMPLE REALIZATION

(Continued from first page.)
rectly across the street, at the corner of Vine st. and McKinley ave.

The Salem Masonic Temple Co., was formed in February, 1921, a charter of incorporation being granted to J. G. Augustine, C. B. Hunt, Guy Seeds, C. M. Wilson and F. J. Eckstein and in May D. E. Mather, F. T. Bennett, Ira P. Mellinger and C. R. Keich were added to the company, with Phil Chancellor as secretary and W. P. Church as treasurer. John G. Augustine was elected president and D. E. Mather vice president.

Work Started In 1922
Additional funds for the temple were subscribed from the 400 Masons in Salem and Thayer and Johnson, architects of New Castle and Cleveland, submitted the plans for the new temple.

The contract for construction was awarded to Heller Bros. of Youngstown and on March 22, 1922, this company started the excavation. The first brick was laid April 6 and the cornerstone was laid by the different Masonic bodies May 7, 1922. While the contract was let for \$110,000, the entire cost, including furnishings, was approximately \$150,000.

These efforts of Salem Masons, aided by Masons of nearby towns who are members of the local bodies, have produced the finest building in Salem and one of the most beautiful Masonic temples in Northeastern Ohio. Constructed of golden brick, it fronts 50 feet on McKinley ave., is 131 feet long and has a beautiful porte-cochere on the east side along Vine st. The basement is 10 feet high, the first story 16 and the second story 20 feet.

The first floor is reached by a flight of 3, 5 and 7 steps and on a level with the street are two ornamental pillars, also used for lighting standards. On the west side there is ample parking space.

Simplicity and beauty are combined in the interior decoration. Indirect lights are used, the first floor is finished in brown and the second in blue, the tinted walls adding charm to the entire scene. Gum wood is used, with cressian walnut finish and the floors are of concrete.

Interior Arrangement
The McKinley ave. entrance leads to a foyer, to the right and left of which are rest rooms and cloak rooms for men and women. Directly to the rear of the foyer is a dining room

was done by John G. Augustine, president of the building company, who has worked diligently for the perfection of the dream of all Masons in the city.

Four Weddings At Lisbon Wednesday

Lisbon, June 27.—Four weddings were celebrated in Lisbon Wednesday morning. Rev. D. E. Scott of the M. E. church officiating for Mary J. McGarvey, Madison township, and Jesse W. Jackson, Elkrun and Miss Rhoda Myers and Leonard Stratton of Leontonia.

Rev. P. M. Kendall, Christian church, officiated for Helen D. Morrow and Fred J. Linder, Wellsville.

Rev. P. M. Carson for Lillian M. Sharpe and James G. Stewart, Wellsville.

Marriage licenses were issued Margaret Blockinger and L. W. Miller and Barbara Detwiler and Orin Halverstadt, Salem.

Flyers Start Long Four-day Flight

San Diego, Cal., June 27.—The attempt to fly four days and four nights without a pause started at 4:15 this morning at Rockwell army aviation field.

Just as the first streaks of dawn were visible, Captain Smith and Lieut. Richter prepared to go aloft in the special DeHavilland plane in which they hope to keep aloft three times longer than any plane has yet flown.

After a final inspection, they took the air without difficulty in their epochal attempt, during which they will be refueled from the air by a supply airplane flying above them at high speed.

Are You Doing Your Part?

to make your town brighter and better? We often wonder why our neighbor don't paint his house and overlook the fact that we are losing money by not painting our own.

And then, too, there is the satisfaction of good appearance in a nicely painted home. Furthermore, if you save the surface you save all.

It pays big dividends to keep your buildings well painted.

The Salem Wall Paper & Paint Co.

138 Main St.

This imposing structure forms the second of a group of buildings which, when completed, will include the Public Library and the World War Memorial building on the south side of McKinley ave. and the Masonic temple and Elks home on the north side and directly opposite the other two. The Masons also own the residence property just west of the new temple which will be retained as the site for future developments. While all members of the Masonic Temple Co. and every other Mason in Salem have been interested in the development of plans for the new temple, a large share of the preliminary work and oversight

THE PLACE

OBITUARY

Funeral of Mrs. Cobb
Funeral service for Mrs. W. H. Cobb was conducted Tuesday afternoon in the First Methodist church. Rev. H. H. Scott spoke and the church was well filled with friends and relatives of the deceased. The bier was a mass of flowers presented by her many friends and relatives.

Among those from a distance in attendance were: J. D. Moore of Beaver, Pa.; C. E. and N. E. Stokes and Mrs. J. R. Jackson of Pittsburgh; Mrs. G. V. Sharp, Mr. and Mrs. M. W. Thomas and family, Mr. and C. M. Yoder and children and Mrs. Williams of Cleveland; Mrs. Claude Davis and son of Kent; Mrs. Emil Jenkins of Mansfield and numerous others from Alliance, Canton, Beloit, Damascus and other nearby towns.

Accuse Youth, 16, For Boy's School Murder

Lancaster, June 27.—Accused of murdering John Cashner, 47, a poultryman employed at the boys' industrial school here, 16-year-old Fred Mills, Akron, an inmate of the school, is being held by the authorities. An iron bar was used in crushing Cashner's head. Cashner died shortly after he was found this morning in a hen house on the industrial school grounds.

Before losing consciousness Cashner accused young Mills of hitting him over the head with an iron bar after following him to the hen house late yesterday.

The Mills boy, who was received here about two months ago, was caught about four miles from the school, after he escaped from the institution attired in Cashner's clothes. He was placed in the county jail.

Cafe Owner Admits He Shot "Shooting Sheba"

Chicago, June 27.—The tables were turned today upon Chicago's latest "Shooting Sheba" when Mrs. Irene Barrick, 33, was shot and severely wounded after she had drawn a revolver from her handbag and attempted to kill Dennis Dougherty, with whom she has been keeping company. Fred Jefferson, in whose cafe the shooting took place, admitted firing the shot that resulted in wounding Mrs. Barrick but said he was trying to frighten her by firing at the floor and had no intention of hitting her.

Famous Actor Is Killed By Lightning

New York, June 27.—Broadway was in mourning today. At the Lambs, Friars and Green Room club plans were discussed for a public burial for Bert Savoy—Everette L. Mackenzie—who with Jay Brennan formed one of the most widely known vaudeville teams on the American stage. Savoy was killed by a lightning bolt at Long Beach.

Man Falls From Train; Kills Him Instantly

Gallon, June 27.—Steve Gagle, 40, fell from a moving train at Crestline today. He died instantly.

Gagle leaves a family in Greece.

DAMASCUS

Mrs. H. C. Brown of Rutherford, N. J., spent Tuesday with E. E. Walker and family.

Mr. and Mrs. J. Penrose and son are spending their vacation with her parents Mr. and Mrs. Ingram, Salem. The Young People's prayer and praise service was held Tuesday night at the home of Miss Ethel Ladd.

A number of Damascus Masons attended the dedicatory service at the new Masonic temple in Salem Wednesday.

Fred Wood of Whittier, Calif., visited at the V. M. Chambers' home Tuesday.

Therlin Coffin of Richmond, Ind., spent Tuesday night with Fred Chambers.

The Ohio Yearly Meeting Missionary board of the Friends church met at Alliance Monday and Tuesday of this week.

Miss Mestrom, a Massachusetts girl, and Miss Girsberg of Alliance, and Rev. and Mrs. M. M. Coffin of Salem, will be sent to foreign mission fields next August. The young women will go to China while Rev. and Mrs. Coffin will sail for India.

Members of the V. M. Chambers family were notified by radio Tuesday night of the capture of John L. Whitfield, murderer of a Cleveland police officer.

SMALL BEGINNINGS SHOW BIG RESULTS

Many great enterprises begin in a small way. Many a successful advertiser has begun by using classified advertisements in a modest way. These brought good returns, which enabled the business to be developed, and eventually large advertisements were profitably used. Intelligent use of the small ad in the Salem News either by advertiser or reader will prove persons who want anything know that The News is the Want Medium in this vicinity. So read it.

CLAY AWAY THE YEARS

Apply Boncilla Beautifier cosmetic clay to your face, and rest while it dries, then remove and see and feel the wonderful difference in the color and texture of the skin.

Guaranteed to do these definite things for the face or money refunded. Clear the complexion and give it color. Lift out the lines. Remove blackheads and pimples. Close enlarged pores. Rebuild facial tissues and muscles. Make the skin soft and smooth.

You can obtain regular sizes from your favorite toilet counter. If not, send this advertisement to Boncilla Laboratories, Indianapolis, Indiana, for a trial tube.

PURCHASING POWER OF U. S. DOLLAR UP 20, SAYS REPORT

Federal Board Optimistic As Production Figures And Wages Rise.

Washington, June 27.—Because of a general decline in the prices of a large number of commodities, the purchasing power of the American dollar is now two cents more than it was a month ago, the federal reserve board announced today in making public an optimistic review of general business conditions in the United States.

Continued heavy production of basic materials along with full employment and good wages for labor cited as outstanding features in the favorable industrial situation.

Buying strength of American people is now being exerted at maximum despite the seasonal changes. Production and shipment of goods by factories continue in heavy volume throughout the United States.

Labor of all kinds is finding employment. Some industries have granted wage increases in the general demand for labor.

Larger demand for goods has resulted in steady increase in the size of payrolls among some classes of industrial establishments. Wage advances were most general in the cotton, steel, meat packing and sugar refining industries.

The board's reports showed there is a shortage of farm labor. In agriculture the condition of winter and spring wheat is less favorable than a year ago. The cotton crop is in slightly better condition, owing to more favorable growing conditions in Texas.

Heavy purchasing of goods is indicated by active distribution reported by manufacturers and by the heavy movement of merchandise and freight reported by the railroads. Loading of freight on railroads exceed all other records for this season of the year.

Both retail and wholesale trade was in larger volume than last month, wholesalers report larger sales of meat, hardware and shoes; sales of clothing and dry goods decreased.

A feature of the general prosperity prevailing is an increase of \$38,000,000 in the volume of money in circulation. The increase is principally in gold and silver certificates. Bank loans in principal cities which have been increasing since early in the year, declined sharply last month.

Telephone Company Asks Injunction; U. S. Takes Hand In Strike

Springfield, Mass., June 27.—The New England Telephone company today retained counsel and reports were in circulation that it plans to apply for injunctions restraining striking operators from picketing and other activities.

There were several minor clashes between strikers and loyal operators today.

Former state guardsmen, now members of an auxiliary police force, were on duty. Their presence has aroused considerable bitterness. Only emergency calls are being handled.

Government Takes Hand
Washington, June 27.—The government today took a hand in the New England telephone strike when the department of labor ordered Anna Weinstock, a commissioner of conciliation, to Boston to attempt to bring about a settlement.

Miss Weinstock settled the New York clothing workers' strike and has been successful in many recent disputes involving women workers. John Colpoys, another conciliator, will also be ordered to New England.

Hoza Claims Mayor Ferren Erred In Suit

State Attorney Hilton appeared this morning in common pleas court in connection with the argument on a case against Sam Hoza, Salem, which had been appealed from Mayor Ferren's court.

This action was taken up on error and after having listened to the arguments of Attorney Hilton and Attorney H. L. McCarthy, Salem, who represented Hoza, the court took the matter under advisement and will hand the decision down later. The attorneys for Hoza claimed that Mayor Ferren had erred in the case.

GOVERNOR CALLS TROOPS TO QUELL STATE LAWLESSNESS

Depredations Of Secret Or-
ganizations Make Steps
Necessary.

Okmulgee, Okla., June 27.—Five hundred National guardsmen today placed Okmulgee county under martial law by order of Gov. J. C. Walton, who declared that city and county authorities had shown themselves unable to cope with "lawlessness which may burst into flame."

The governor's action followed receipt of information that the country was being terrorized by secret organizations which have taken the law into their own hands and embarked upon a campaign of intimidation.

A local minister and two other citizens are said to have taken the lead in appealing to the governor for protection.

"Evidence seems to point to the fact that the sheriff's office in Okmulgee county has been indifferent to the situation and no relief can be expected from that source," Aldrich Blake, the governor's secretary, is quoted as saying to explain the declaration of martial law.

National guard companies from Tulsa, Oklahoma City, Muskogee and Wetuka, which are enforcing martial law, are commanded by Brigadier General Alva N. Niles.

COURT NEWS

Cope Asks Court To Portion His Farm

Asking that the court set off to him his portion in a 70-acre farm in Fairfield township, Clarence A. Cope has brought action in common pleas court against E. G. Cope and others seeking to have a farm in which he claims he has inherited one-eighth interest set off to him. If the property cannot be divided satisfactory he asks that the property be sold and the funds divided.

Death On Wheels

Out in California they have discovered that about half of all motor mishaps are due, not to defective brakes, defective tires or defective lights, but to—defective vision.

Investigators in Cleveland, have reported similar findings. And investigators in Detroit reveal an ocular condition among some motorists that is really appalling.

Some day, state law will require an optical examination before the granting of a motorist's license.

BUT WOULDN'T IT BE WISER—

Wouldn't it make you, as motorists, and your family feel easier—to KNOW that your eyes are right instead of guessing?

We suggest an examination by our improved methods. Three-hour service vs. three-day. We grind our own lenses.

ECKSTEIN CO. MEN'S WEAR

History Of Freemasonry In Salem Dates Back 73 Years; Growth Steady

Preliminary Work Of Organizing Lodge Here Was Begun In Summer Of 1850 And First Meeting Was Held In October, That Year, In Gee Building.

On the third floor of the Gee building on Main st. on Oct. 1, 1850, citizens of Salem witnessed the birth of Free Masonry in the city.

Local Masonic tradition has it that preliminary work was started in the summer of 1850 when eight Master Masons and members of different Masonic lodges living in Salem and surrounding territory met together.

After several meetings a petition was sent in to the grand lodge of Ohio for the rights and privileges of organizing a local Masonic lodge. On Oct. 1, Deputy Grand Master Fordyce M. Keith issued a dispensation to Philip Fetzer, William Schmick, Allen Coulson, J. S. Thomas, Ephraim Greiner, David K. Bertolette, John Morrison and Emmor T. Weaver to constitute a lodge of Free and Accepted Masons to be known as Perry lodge, F. and A. M.

Shortly afterwards the grand lodge meeting in Cincinnati granted the charter under the name of Perry

On Oct. 15, 1886, a dispensation was granted and on Oct. 12, 1887, a charter was issued to James Davis, Thomas J. Walton, J. R. Beatty, Robert Hole, Charles C. Snyder, P. L. Grove, William G. Bently, N. B. Garrigues, J. S. Goldy, D. J. Roller, James L. Truesdale, H. C. Frost, William S. Church, William M. Hostetter, Robert V. Hampson, R. Baker, F. M. Benner, James S. Bowman, W. C. Morrow, M. N. Hamilton, J. Scotland Sr., W. E. Linn, Isaac Grimm, Jesse Kepner and Hugh Laughlin.

The first officers of the Commandery were Robert V. Hampson, eminent commander; James L. Truesdale, generalissimo; and Thomas J. Walton captain general.

The different Knights Templar living in Salem and vicinity had petitioned the grand commandery for the organization of a local commandery two years previous to this but the grand commandery deemed it necessary to turn down the application because in their estimation the lodge rooms at that time were not suitable for doing the work in a proper manner.

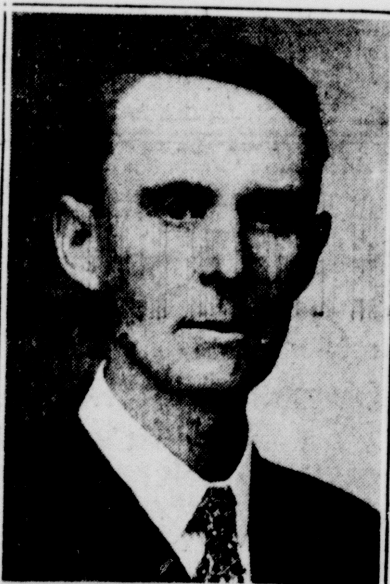

This was an incentive to procure new quarters which has been referred to as the Ira F. Brainard block which continued to be the rooms until June 1898.

At that time it was decided to secure the entire third floor of the Snyder-Lease-Ohio Mutual block, which was then being erected on the southeast corner of Main and Lundy sts.

On St. Johns day, June 24, 1898, the new lodge rooms were publicly dedicated. Grand Master Nelson Williams was present for the purpose as were 160 Knights Templar from Youngstown, Canton, Wooster, Massillon, and other places, in addition to several hundred Master Masons from these cities.

The weather on this occasion was ideal and combined with the blare of a half dozen brass bands, the procession and parade marched down Main st. which was profusely decorated with flags, bunting and patriotic banners of all kinds, making a thrilling and impressive spectacle.

Council Is Organized. Omega council No. 44, Royal and Select Masters, which had been known as Alliance council No. 44, R.

A. I. JUSTICE
Worshipful master of Perry lodge

and S. M. was organized under a dispensation dated Dec. 22, 1896.

A strong feeling had been manifested in Salem for the establishment of a local council and since there was not much interest in the Alliance council it was arranged to bring the charter to this city and apply for permission to change its name to Salem council.

On September 18, 1894, the grand council of Ohio authorized the removal from Alliance to Salem and a council in this city became a reality.

Eastern Stars. The organization of adoptive Masonry or Order of the Eastern Star is of a very recent date.

Preliminary work was started in the spring of 1911. A meeting had been held at the home of William E. Linn, McKinley ave. in February at which time Mrs. W. E. Linn was chosen to preside and Mrs. C. M. Wilson as secretary.

On March 3, 1911, Salem chapter, No. 334, Order of the Eastern Star, was instituted by Worthy Grand Patron J. Ernest Tear, assisted by the Lectonia chapter.

First officers of the Salem chapter were Worthy Matron Carrie B. Turner, Worthy Patron Vivian A. Cowgill, Assistant Matron, Ella F. Kickbride and secretary Iva A. Wilson.

Still Use Old Gavel. On March 18, 1882, a visit was paid to the local Masonic bodies by Dallas lodge No. 508, F. and A. M. of Pittsburg.

This was an occasion which has always been remembered because of the fact that H. B. Floyd, on behalf of Dallas lodge, presented Perry lodge with three solid ivory gavels. The presentation speech was responded to by Peter A. Laubie.

These gavels have been used by Perry lodge continuously since that time and their presence gives a memorable air to the annals of Salem Masonry.

Another occasion which is remembered by Masons was the presentation to Perry lodge of a copy of the Holy Bible by Thomas J. Walton and Henry C. Hawley. This sacred book has been on the altar ever since.

One 33rd Degree Mason. The only 33rd degree Mason who lived in Salem was Robert V. Hamp-

R. and S. M. of Ohio. He also served as the grand commander of the grand commandery, Knights Templar, Masons in Civil Affairs.

Salem Masons have always shown a keen interest in civic affairs and duties.

One time in particular at the laying of the cornerstone of the new high school building and now housing the Junior High school, all Salem Masonic bodies were present for the event and participated in the ceremony.

Commanderies were present from Canton, Massillon and Youngstown, who with over 200 Masons marched to the high school building where the ceremonies were performed in a very impressive manner.

At the time of the building of the Salem City hospital, the Masonic bodies contributed \$1000 to the fund for the erection of this building. This gave them a life membership in that humane and benevolent institution.

Youngstown—Two foreigners were enjoying a card game here until suddenly a quarrel arose. Now the two are in a precarious condition, due to knife wounds sustained when they stabbed each other.

PREMIER BALDWIN WARNS THAT FRENCH PLAN AIR CONTROL

French Plans Call For 1,500 Naval Aircraft, Says British Premier.

London, June 27.—Public interest in Premier Stanley Baldwin's statement in the house of commons Tuesday on British air policy, was intensified by reports that the new French aerial plans will provide for control of the English channel and the Mediterranean from the air.

The French plans provide a total of 1,500 naval aircraft.

Huge air bases will be created at Dunkirk and Cherbourg where giant bombing planes with a radius of 1,000 miles will be stationed.

In view of the French expansion it was anticipated that Premier Bald-

win would announce a big increase in both the active and reserve British air forces. There has been insistent demand in the press for such action.

Reports from Paris as to the huge and formidable air establishment being built up by France had caused a scare in some British circles.

Within two years the French expect to have 2,000 military planes in commission with 5,000 more in reserve, it is reported.

Such reports unnerved the British and added to the strength of the campaign started several months ago for a big increase in the British air forces. Lord Birkenhead had constantly warned Britain she is "endangered from the air." Similar warnings have been printed in the Daily Chronicle, personal organ of former premier David Lloyd George.

Warning Poster Appears

Posters, emblazoned with warnings, have appeared all over London. Some used in recruiting campaigns, contained some inscriptions as:

"Don't wait for war! Join now! The London territorial air defense."

Meanwhile the British have been carrying on the old argument as to the effectiveness of the battleship against the airplane. France did not

waste much time in making a decision. The French naval and military staffs decided that the effective weapon of the future is the plane, not the battleship.

French aerial exports are said to have plans for a long range, all-metal heavy bombing plane, which, used with ceaseless aggression could sweep both the English channel and Mediterranean, rendering the navies powerless. The channel ports are the key to England defenses.

HERE'S ANOTHER ENTRY IN YOUNG GRANDMA RACE

Madison, Ill., June 27.—Mrs. Florence Motzinger, 33, of this city, proudly lays claim to being a grandmother.

The arrival of Thomas Burns Jr. gives the distinction of being a grandparent to this young woman. The infant's mother, Irene Motzinger Burns, is only 15 years old, while little Thomas' father is 18.

Thomas Sr. who has a reputation of being a boxer of parts, says the youngster looks like he might develop into a glove-fisted artist.

FRANK MURPHY
Orator at Masonic dedication today

lodge No. 185, and named Emmor T. Weaver worshipful master, John Morrison senior warden, and David K. Bertolette junior warden.

Entriken First Candidate

Membership in Perry lodge did not increase very rapidly. Ten years after the installation of the new chapter only 37 Masons were members. A large number were initiated from time to time but many of these withdrew to form lodges in nearby towns.

One of the new members of the lodge who were initiated during this formative and youthful stage was J. C. Entriken, who was the first person to receive the degrees and be initiated as an Entered Apprentice on Dec. 21, 1850.

Jacob Ambler served as worshipful master during the years 1856-1859 and 1885. Emmor T. Weaver in 1859-62, and D. K. Bertolette in 1853-54.

One of the leading workers in Perry lodge was made grand master of the grand lodge of Ohio. He was Asa H. Baitin who soon after moving to Steubenville was honored by the highest office in the grand lodge.

Move To New Rooms

The old lodge rooms in which Perry lodge first held its meetings was soon supplanted by newer and finer quarters in the Trimble block on the northeast corner of Main and Chestnut sts. The rooms were located on the third floor of the building.

These new quarters were necessary to accommodate the lodge and a chapter of Royal Arch Masons. The newly organized chapter known as Salem chapter No. 94, R. A. M. was established Oct. 13, 1866.

The following companions were charter members: Charles A. Garrigues, Shubael Avery, Thomas E.

J. G. AUGUSTINE
Chairman of building committee

Vickers, James Boone, George W. Gibbs, Milton Smith, James Davis and John C. Harwood.

Many changes occurred in the location of the lodge rooms in the next few years. On the third floor of the C. H. Betts building on the corner of Main and Lundy sts. the blue lodge and chapter moved after several years in the Trimble block. Then it was decided to move to the Anderson block on the northwest corner of Main and Ellsworth sts. Few Masons are living who received their degrees in the different lodge rooms referred to.

Commandery Organized. Chivalric Masonry or Knights Templar was the next Masonic body to be organized.

Mr. Shaver is saving

\$73

a year "by smoking

BULL DURHAM and so can you

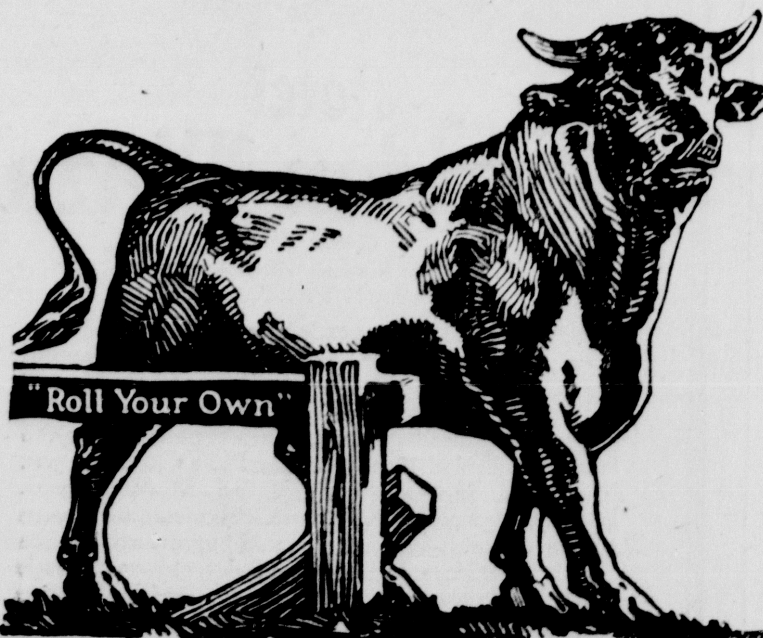

You will be amazed to see how the use of "Bull" Durham tobacco will cut down the cost of your smoking. Remember "Bull" gives you 50 cigarettes of the best flavor and quality for 10 cents.

This means easily a saving for the average smoker of from \$1 to \$1.50 a week—\$52 to \$79 a year.

Seventy-nine dollars will buy lots of things. A radio set, a talking machine, a very fine suit of clothes, a set of tires, the first fifteen payments on a Ford, a good-sized insurance policy.

Hard to roll your own? Not really. Give yourself a chance to learn. Have a sack of "Bull" in your pocket all the time as well as your regular cigarettes. Every time you think of smoking a cigarette pull out your sack of "Bull" and try rolling one.

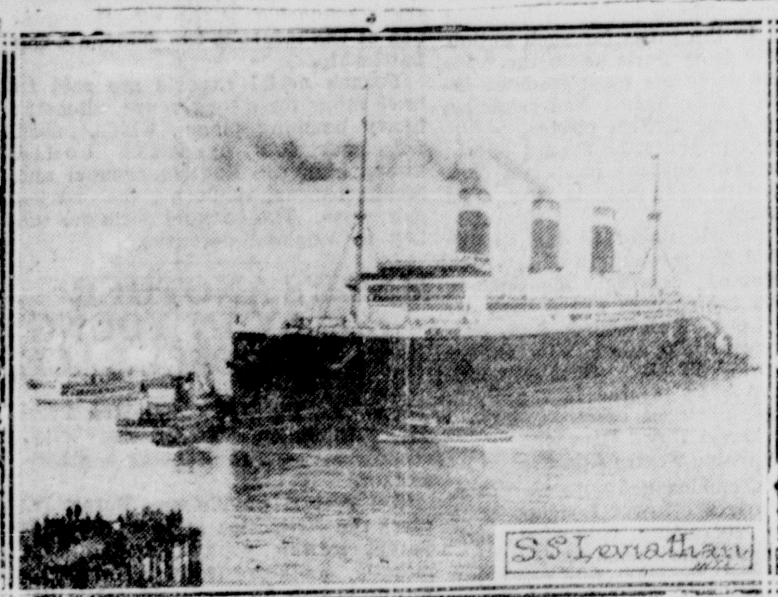

By the time you've used the sack you ought to be a fair producer. And you'll certainly be a convert to the mild, delightful flavor of the unequalled cigarette that "Bull" Durham makes.

With each package you receive a book of 24 leaves of the finest cigarette paper in the world.

S. S. LEVIATHAN SAILS

Here is a photograph of the S. S. Leviathan, largest in the world in point of tonnage and largest ever to carry the American flag, leaving dry dock in Boston, where she was scraped and painted preparatory to her six-day break-down trip to Cuba.

MURDER NOW SAFE TRADE
SAY INSURANCE MEN WHO
CITE UNSOLVED MYSTERIES

New York, June 27—Where is the old time detective of fiction—Holmes, Kennedy and Carter?

"Vacationing," say American insurance men through their official organ here, announcing the murder record for the United States in 1922.

"Murder has indeed become a safe trade," the investigators for the leading insurance companies of the country charge.

They point to the figures, they have compiled, showing the murder rate to be 9 for every 100,000 population.

But say the insurance men though their joint official publication, "The Spectator," it is not the number which alarms so much as it is the ease with which the murderers appear to escape the law.

Attention is called to the number of unsolved crimes of recent months.

Statistics Compiled

Listing in the cities of the United States in the order of their percent age of murders for the 100,000 population, Memphis, Tenn., once more heads the list—67.4 per cent—115 persons slain.

"Beal street, with its negro population," is given as the cause of the high percentage.

It is noted by the insurance men that the murder rate of the south far exceeds that of the north.

Pueblo, Colo., a steel town, with a heavy foreign population, comes second, with 35.2—15 murders in a year.

While Nashville—another southern city—is third, with 37 murders, making its percentage 39.7.

New Orleans is fourth—84 murders and a percentage of 21.1, and St. Louis, with 134 murders and a percentage of 16.9, is fifth making up the first five.

Few in New York.

New York is thirty-fourth on the list, although it had the greatest number of killings—3,337. This is but 5.8 per cent. Chicago is fourteenth, with 331 murders and a percentage of 11.8.

The California cities, although attracting wide attention with the sensational killings of recent months, are well down in the list compared to the leaders. Los Angeles had 83 murders—a percentage of 12.9, and is tenth, while San Diego, its neighbor, has a percentage of 12 per 100,000 population with 19 murders against its record.

San Francisco is twenty-sixth on the list—12 murders and a percentage of 7.9, while Oakland across the bay had 18 murders, making its percentage 7.7.

"The record," the insurance men say, "reflects an attitude of lawlessness and indifference to human life without a parallel in the history of civilized mankind."

Much Crime Concealed

"The figures fail to show the true state of facts," the report continues. "For increasingly clever methods of crime are being resorted to and successfully hide the true facts of many murders under the mask of 'suicide' and accident."

"Crime, too," the insurance men unite in saying, "is becoming more brutal. And fewer crimes are being solved."

"The Cronkite case—what has become of it? Is any effort being made to find out who killed Dorothy Kennan? The murders of a Northwestern University student and another student at Kent, Connecticut, are unsolved. Who killed William

Educational "Movies."

When used in combination with other methods of presenting ideas, such as newspaper publicity, the spoken word, exhibits, slides, and printed bulletins, the United States Department of Agriculture has found that motion pictures constitute a valuable addition to these extension agencies. The department maintains its own motion-picture laboratory, where films are prepared to picture improved agricultural practices, to warn about dangerous conditions or undesirable methods, or otherwise to acquaint those at a distance from the national capital with the work of the department or its application to farm life.

CHAMBERLAIN'S TABLETS

No griping—no nausea—only 25 cents

NO PROSECUTIONS
AFTER SHIP'S WET
STOCK IS SEIZED

Washington, June 27.—Although the government has decided to discriminate between rum running ships and those which bring liquor into American ports under seal for consumption outside the three-mile limit, the continued movement of the latter class of cargoes to the United States gave treasury department officials a new cause for concern today.

Any transportation of beverage liquors into American territorial waters is a clear violation of the Volstead act, but to avoid international complications, prohibition commissioner Haynes plans to do nothing in the case of foreign liners, but to take possession of the liquor brought over for the homeward voyage. He does not contemplate the seizure of the vessels or the arrest of the commander, despite the fact that this would be the procedure if the ship was engaged in smuggling.

When this plan of action was decided upon by treasury officials, it was thought that only one or two foreign ships would try to evade the law—thus furnishing grounds for a test case to establish the authority of the United States. The situation has increased in complexity, however, as liquor cargoes continue to come in daily with no indications of any let-up in this movement while a test case is developed.

will go on with their seizures, but as the liquor continues to pile up in government warehouses prohibition commissioner Hayer is looking for some way to stop the illegal bringing in of liquor.

Prohibition officials admitted today that they were embarrassed by charges that the law is only half enforced against the foreign liners bringing the United States with sealed stores, but announced that the situation was so delicate that they were compelled to move with extreme care for the present.

Some legal advisers of the treasury department say there is only one way to enforce the law and that is by indicting those responsible for violations. There is ample authority for such action in the Volstead act, but drastic measures in the case of foreign liners, like the Baltic, Berengaria and Paris are opposed by the state department and by treasury officials who do not want to get the government into serious trouble with foreign powers until the liquor controversy has been adjusted by international negotiations or by congress.

Berlin Opens First
Modern Gas Station

Berlin, June 27.—The first modern "gas station" in Berlin has just been opened.

And now, instead of having his "benzene" served out of a bucket, the Berlin autoist can, if he is willing to travel far enough, fill his tank out of a rubber hose.

The German capital's lone modern gas station, unlike its American counterpart, works like a soda fountain or beer tap. The attendant just turns a cock, and the gasoline pours forth, forced out by the compressed carbonic acid gas which the stringent Berlin fire laws require every gasoline tank to contain as a protection against the danger of a explosion.

One such filling station is in operation in Germany, at Hanover. Throughout the rest of the Reich gas comes in a pail.

THE SPIRIT OF
ATLANTIC CITY

Among the great resorts of the world Atlantic City stands notable and pre-eminent.

Its far-famed Boardwalk—skirting the ocean shore for more than seven miles—is a marvelous esplanade on which are to be found thousands of pleasure seekers at all seasons of the year. Wealth and beauty—the pomp and circumstance of life—ebb and flow on its broad expanse in an unending procession.

In The Boardwalk—vibrant with life, with its magnificent hotels, its glittering and gorgeous shops, its amusement places endless in variety and charm—is to be found the spirit of Atlantic City—the essence of the thing that sets it apart and distinguishes it from all other resorts.

A beautifully illustrated booklet descriptive of Atlantic City—and of many other delightful resorts along the New Jersey shore—may be obtained upon application to any ticket agent of the Pennsylvania Railroad. Summer tourist fares via Delaware River Bridge—the only all-rail route—are now effective.

BRINGING UP FATHER

BY GEORGE McMANUS

ACTUAL CASH FOR DEMPSEY-GIBBONS BOUT ONLY \$75,000

Ticket Sale Disappointing But Reports Say Fight Will Take Place.

Shelby, Mont., June 27—A chance remark, dropped in the presence of the writer today by a man whose index fingers tingled on the local pulse, developed the interesting fact that the sum of \$75,000 represents the actual cash taken in to date by the promoters of the Dempsey-Gibbons half million dollar dream.

It was the first direct information that has been obtained on the matter of ticket sales, this secret having been guarded with jealous care. From another source, equally reliable, it has been assured that the bout will take place as scheduled, although contrary reports have been very active during the last 24 hours. These reports purported to indicate that the final installment, \$100,000 covering Dempsey's guarantee, would be allowed to go by default and the entire enterprise dropped.

Money Will Be Paid—It is said that the money will be paid when due and the fight put on, although actual information as to how this desirable condition may be hastened is a bit vague. The Great Northern railroad and capitalists of Great Falls seem to have qualified Montana's martyr role that will make Montana safe for the padded knuckle.

In other words, the hot sports of this locality having wished themselves into a colossal bloomer, are ready to pay the price of their folly. It will be a stiff one. If the actual receipts are \$75,000 a week before the fight only a miracle can bring the investors 50 cents on the dollar when they come to count the returns. Dempsey, first of all, will receive \$310,000.

If by some windfall the receipts should reach this sum or more, Gibbons will begin to cut in on each additional dollar. If not Gibbons, the promoters and the sovereign state of Montana will all be losers.

LEETONIA NEWS

Joseph Hunt and Lester E. Fisher, who attended the convention of the Kiwanis club at Atlanta, Ga., the last of May, gave their reports of the event at the Kiwanis club luncheon this week.

Debate World Court
An interesting debate on the subject "Should America Enter an Association of Nations as Advocated by President Harding?" was a feature of the Sunday school hour Sunday morning in the Men's Bible class of the Men's class at the Methodist church.

The question was most ably discussed by Dr. Jennings King and Frank Aiken. This unique feature of the Sunday school proved very beneficial as well as entertaining.

The Leetonia Boy Scouts are becoming quite useful, much of the time the last week was spent by them in passing bills. They are willing to do all kinds of work for the good of the town.

Chorus To Give Operetta
The school chorus which has been trained this past year by Mrs. J. W. Moore, is planning to give a musical entertainment later in the season, the nature of which will be an operetta entitled "The Windmills of Holland." This will possibly be the last effort by Mrs. Moore before leaving for her new home in East Palestine.

Miss Helen Strouse has gone to Youngtown where she is the house guest of her uncle and aunt, Mr. and Mrs. Benjamin Strouse.

Mrs. Bertha Gaver of Salem is be-

ing entertained in the homes of her children, Frank and Orvil Gaver and families of Somer st.

Vivian Farmer, Helen C. Keyser and Esther Crook of this vicinity were among the eighth grade graduates at Lisbon Friday.

Mrs. John Meave just east of town is entertaining her sister, Mrs. Ada McKee of Salem.

Mrs. Regina Stewart, residing west of town, who sustained a broken hip in the spring, is not improving.

Announce Marriage
Announcement has been made to Leetonia friends of the marriage of Elizabeth Fellers and R. V. Harrold, both of Columbiana. The wedding was an event of the last of the week.

Little George Ferguson of Warren is enjoying several weeks visit with relatives here.

Mrs. Herman Schesler and daughter Miss Mary, and Mrs. William Star of Warren, were entertained several days at the home of Mr. and Mrs. D. J. Connelly.

Mrs. Leon Caldwell of Lisbon, visited friends in Leetonia Thursday. Mrs. John Needham is entertaining Mrs. Harry England and son John, of Everett, Pa. The family formerly lived here.

Mrs. Mont Stouffer has gone to Indiana where she will visit her daughter Helen, after which she will go on to Wisconsin and spend the remainder of the summer months with her daughter, Mrs. May McNaughtan. Galen Lodge, Paul A. Johnson, William Rankin and Merl Stambaugh have gone to Fort Colbourne, Can., where they will be guests of Edward Pulker recently of Leetonia.

Thomas Burke is visiting in the home of his aunt Mrs. C. R. Cunningham at Morgantown, Pa.

Mrs. Carl Blattman is entertaining Miss LaVern Covert of New Castle, Pa.

Many Houses Painted

Leetonia is presenting a dressed up appearance as the majority of homes have received new coats of paint.

Several children in Leetonia hope to be benefited by the new Fresh Air camp to be placed at the disposal of Columbiana county children.

Mrs. Clyde Groner and son Robert are guests of the father Simon Groner and sister Rebecca Groner, north Walnut st.

Kegelmyer Improved
William Kegelmyer, who was injured last week by being buried under a carload of cinder and coke ashes, is able to be up and about the house again.

The dance at Kelly's park Saturday evening attracted one of the largest crowds since its opening.

Miss Ann Woods of New Castle, Pa. is the guest of relatives in Leetonia. She will spend several weeks here.

THREE PROMINENT SPEAKERS COMING

Mellinger, Heffernan And Murphy To Speak At M. E. Church.

Columbiana, June 27—J. S. White received word the last of the week of the death of his brother, S. P. White, at Oakland, Ia. The deceased was well known in this section.

Congressman B. Frank Murphy of Steubenville, Judge Joseph Heffernan of Youngstown and Ira Mellinger, of Leontia, will be the principal speakers at the men's meeting Sunday in the M. E. church.

Gould Moore has purchased the K. M. Parsley property located east of Columbiana and has moved his family there.

F. E. Stiller was in Darlington Sunday calling on friends.

Mrs. Lawrence McGale and two children of East Palestine were visiting Mary McGale Sunday.

The band concert and festival was well attended Saturday night. The proceeds will be used to buy uniforms and other equipment for the band organization.

Mrs. A. S. Gough and granddaughter visited in Pittsburgh over Sunday.

C. A. McKean is confined to his home with an infected ankle this week.

Mrs. Potts and son after two weeks visit with Dr. and Mrs. P. H. Felger returned the first of the week to their home in Beaver Falls.

Mr. and Mrs. Brick Brown and Mr. Bryan of Beaver Pa., were callers at the home of Wick Fry Sunday.

THEATRES

Big Film Feature

Those who like musical comedies or circuses will especially enjoy the tournament scene in the big cosmopolitan production "When Knighthood Was in Flower," a Paramount picture starring Marion Davies which will appear at the High school auditorium Thursday, Friday and Saturday. Tiers of fancifully decorated boxes fluttering with flags and pennants and draped with garlands of roses; beautifully gowned women; court attendants; knights in armor and court jesters make of this brilliant scene one of the most sparkling events imaginable. The glitter and the splendor of it all remind one alternately of a circus or musical comedy.

In the central box sit King Henry VII and Queen Catherine while Princess Mary Tudor leans over the railing, enraptured at the vision of the gallant Charles Brandon, clad in armor, as he stops, his coat black horse directly in front of the royal party and bows low. Miss Davies plays the part of Princess Mary and her charm was never set off to greater advantage than in the regal jeweled robes of the princess who was willing to forsake a throne for love.

Molten Lava Welds Volcanoes.

George Gillman read a paper before the Geographical society descriptive of an ascent a year ago of Kilimanjaro, which he alluded to as Africa's highest mountain. The party which he led were the first to ascend after the mountain had become British territory. From wherever across the surrounding steppes one approached the isolated mountain mass two outstanding features impressed themselves at once—the tremendous size, coupled with great height, and the almost incredible contrast between the tropical half desert below and the alpine desert above. Structurally, Kilimanjaro consisted of three single strato-volcanoes, each of which had had its own origin and history. Through mutual interbedding of the lava flows, however, all three had grown into one solid complex strato-volcano.

Fighting Insect Pests.

A new method of control of "screw worms," "wireworms" and sod web worms which attack tobacco and similar crops has been discovered by the tobacco insect laboratory of the United States Department of Agriculture. It has been found that these worms are very greatly attracted to nitrobenzene, and by flavoring poison with this chemical a mortality of from 80 to 90 per cent of the larvae in heavily infested fields is produced. These larvae are very important pests of tobacco and a large variety of other crops, and up to this time fall plowing and other indirect methods were the only known ways of combating them.

JOINT-EASE FOR BURNING FEET

Now that we know that aching, burning feet are caused by trouble in the small bones in the arches of the feet—

And that trouble can only be reached by Joint-Ease, a stainless emollient that soaks right in through skin and flesh direct to the joints and ligaments.

Isn't it about time to discard powders and medicated baths that only reach the outside of the skin?

And rub on Joint-Ease, that in two minutes starts to soothe and heal the inside troubles that cause soreness and burning.

Rub it on tonight and if there is any burning left in the morning, it won't be enough to bother. All druggists. A tube, 60 cents.

The J. H. Lease Drug Co., Floding's drug store and Bolger & French can supply you.

THE GUMPS—THE BRIDGE OF YAWNS

LOOK AT THAT BUNCH OF RIVER INSPECTORS. THEY STAND AROUND ALL DAY DOING NOTHING TILL THEY'RE TOO TIRED TO GO HOME - IF THEY LOOKED FOR WORK AS HARD AS THEY LOOK FOR A BOAT THEY'D HAVE TO JOIN TWO UNIONS -

EVERY TIME A YUG BOAT PASSES THEY GET ALL EXCITED - IF A DECK HAND WAVES AT THEM THEY'RE AS HAPPY AS A CAT FULL OF CANARIES - THE CITY SHOULD HAVE THE BRIDGE RAILS UPHOLSTERED TO KEEP A LOT OF CITIZENS FROM GETTING BLISTERS ON THEIR ELBOWS -

THE LEAST THE CITY SHOULD DO IS INSTALL A ROW OF FLUSH COVERED STOOLS ALONG THE EDGE OF THE BRIDGE - ALL HAIL TO THE GALLANT BAND OF TIME TEASERS WHO SPEND THEIR TIME GUARDING OUR BRIDGE TENDERS FROM BEING ATTACKED BY FLYING FISH - THEY NEGLECT THEIR PERSONAL INTERESTS TO WATCH THE RIVER SONG WICKED ROBBER CAN SNEAK UP AND STEAL IT FROM OUR FAIR CITY -

OH WELL - I'VE BEEN WAITING HERE TWO HOURS TO SEE THAT BOAT TURN AROUND - IF SOMETHING DOESN'T HAPPEN PRETTY SOON I'M GOING TO GO HOME -

30-DAY ANDY FOUND 25,000 TWO-CENT STAMPS WHICH WILL ENABLE HIM TO MAIL A LETTER EACH DAY FOR OVER 68 YEARS -

IF HE CASHES THEM HE'LL HAVE \$13,500.00 IN THE OLD SUGAR BOWL -

BARNEY GOOGLE

OH GOSH OH GOSH. THIS \$10,000 I GOT FROM THAT CROOK TO SPIKE SPARK PLUG FROM WINNING THE T-BONE STAKES A WEEK FROM SATURDAY IS GONNA MAKE A NERVOUS WRECK OUT OF ME - MESSIE I SHOULDN'T HAVE TAKEN IT! I BETTER PUT IT IN THE BANK! SO MUCH DOUGH AROUND LOOKS SUSPICIOUS

UGH - I CERTAINLY FEEL LIKE A FAMILY OF CROOKS

MY GOODNESS \$10,000 - PRETTY BIG DEPOSIT - WHERE DID YOU GET IT?

THAT'S MY B-B BUSINESS

BY DeBECK

FRUIT PRODUCTION TO ESTABLISH NEW RECORD IN COUNTY

Strawberry Crop Reminds Old Timers Of Yield 30 Years Ago.

Columbiana, June 27—Columbiana county will go on record this year for fruit production. The indication points to good crops in small and large varieties. The strawberry crop has reminded the older fruit men of those bumper crops of 30 years ago. This section of the county about Columbiana was noted at one time for specializing in small fruits.

John Weaver, an authority on the shipments, says that from three to six carloads of berries—strawberries and raspberries—were sent into Pittsburgh daily during the season.

The production and marketing have changed a great deal in recent years. The anthracnose, and alarm occasioned by the numerous seeds as the cause of appendicitis, practically discontinued the raising of raspberries.

The impossibility of securing help in caring for the strawberry crop has lessened the acreage from year to year. Most berries are now being trucked to the Mahoning valley markets, a few being trucked to Pittsburgh, while in former years this latter city was the principal market.

The larger fruits may be said to take precedence now and the present outlook is encouraging.

In the apple variety, Baldwins predominate as to production and demand in the market. All varieties of apples are produced in this section of the county which seems especially adapted to this crop.

Lewis Kirk, W. E. Grim and Son and Arthur Koller have the principal orchards near Columbiana.

"Chair Puller" Joke Victim Awarded \$1251

Des Moines, Ia., June 27—A practical joke cost \$1251, in damages awarded Mrs. Mae Griffin as settlement for her claim for an injured spine. Ms. Griffin was hurt when a joker pulled a chair from under her.

just as she was about to sit down. She was working at the time in the office of Successful Farming, a magazine published here.

BRACE UP!

Do you feel old before your time? Is your back bent and stiff? Do you suffer urinary disorders? Don't despair—profit by Salem experiences. Salem people recommend Doan's Kidney Pills. Here's a Salem resident's statement.

Mrs. Charles Wilson, 92 Columbia st., says: "My back was so sore and lame, it was all I could do to get out of bed in the morning. I could hardly touch my back over my kidneys and often during the night, pains kept me awake because the slightest turn brought a sharp twinge in my back. It was hard for me to do my housework and I got dizzy at times. Before the day was over, I felt tired and languid. My kidneys were in a weakened condition and as one of our family had used Doan's with success, I bought a box. After the second box, the symptoms of kidney trouble disappeared and whenever I need a kidney medicine, I always fall back on Doan's. They fix my kidneys up in good shape."

See at all dealers, Foster-Milburn Co., Mrs., Buffalo, N. Y.

Crown Jewels Cause Argument.

The crown jewels of the late Emperor Carl of Austria, valued at \$750,000, were the subject recently of a lawsuit in the Swiss courts. The jewels were attached by two jewelers, one from Frankfurt and the other from Paris, who claimed they had not received their full commission.

The Swiss judge dismissed the case with costs and the jewels are to remain in a Swiss bank until their ownership has been established. Both ex-Empress Zita, widow of Carl, and the Hungarian government are concerned in the final disposal of the gems.

Electric Power In The Nation Equals 21 Million Horses

Indianapolis, June 27—It would require 21,000,000 horses working ten hours a day, 300 working days in a year to furnish the equivalent of the power produced in 1922 by the electric light and power industry of the country, according to the Indiana Committee on Public Utility Information.

Last year, the committee says, electric light and power companies delivered 65,000,000,000 horsepower hours of energy to their customers. During the year there was a tremendous increase in power plant facilities. If the nation's power demands are fully met it will be necessary to double existing equipment within the next five years.

YES, WE HAVE NO BANANAS, STARTS BATTLE IN STORE

New Haven, Conn., June 27—"A dozen bananas, please," said Morris Ginsberg to Thomas Corso, tendering a dollar bill.

"Yes, we have no bananas today," replied Corso.

"Fresh," retorted Ginsberg.

"Out," said Corso, punching Ginsberg in the eye and then booting him.

When Corso settled his bill in City court and instructed his lawyer to defend the suit which Ginsberg started at once, Corso explained: "That song kept running in my mind but it didn't mean anything."

Providence, R. I.—Ethel Barrymore Colt, famous actress, has filed suit for divorce from Russell G. Colt, son of the late millionaire head of the United States Rubber Co. She received a large share of the Colt estate and each of her three children \$50,000.

THE BEST MEDICINE FOR WOMEN

When Mr. Myers of Winston-Salem North Carolina, stepped into the drug store and asked his druggist for the best medicine he had in his store for woman's ills, is it any wonder he was handed a bottle of Lydia E. Pinkham's Vegetable Compound? Mrs. L. K. Myers in writing of it says: "I had been weak, run down and had a pain in my left side for a long time so I could not do my work. Lydia E. Pinkham's Vegetable Compound helped me in a short time so I was able to do all my housework including washing and ironing, and now I feel fine all the time. As Lydia E. Pinkham's Vegetable Compound holds the record of benefitting 98 women out of every 100 women who take it, it will pay every suffering woman to try it."

Listen, Lester!

Bring Her Here

Oh, Boy, head her straight for the fountain of pleasure; she'll come willing enough—and make you come again. You both will love our pure delicious Sodas, and say, that Ice Cream we serve is truly without compare.

Meet and treat here, treat and meet again.
